

Company

At ATN Consultancy we offer independent & unbiased advice to ensure we fulfil each customer's individual requirement. We specialise in Network Security & Storage as our core business.

With our knowledge & long established business relationships we hold with our partners, we can offer specific solutions that can be tailor made to suit your needs.

Through our dedicated account management we keep our clients abreast of any developments in their specific industry related solution and by doing this we can ensure their network is priority.

With 15 years experience in this arena we guarantee confidence & satisfaction by providing our clients with unparalleled account management, advice & support.

This is where we deliver the right solution for the right budget on time.
